

FACULTY OF ENGINEERING AND SPATIAL SCIENCES

DEPARTMENT OF ARCHITECTURE AND SPATIAL SCIENCES

QUALIFICATION: BACHELOR OF REGION	NAL AND RURAL DEVELOPMENT
QUALIFICATION CODE: 07BRAR	NQF LEVEL: 5
COURSE CODE: PTY510S	COURSE NAME: PLANNING THEORY 1
DATE: JUNE 2022	PAPER: THEORY
DURATION: 3 HOURS	MARKS: 100

FIRST OPPORTUNITY EXAMINATION QUESTION PAPER			
EXAMINER(S)	Dr. Laudika J. Kandjinga		
MODERATOR	Ms Geraldine van Rooi		

INSTRUCTIONS

- 1. Read the entire question paper before answering the questions.
- 2. Read each question carefully and address all parts of the questions
- 3. Answer ALL the questions.
- 4. Answers may be written in any order but must be legibly numbered
- 5. Please write clearly and legibly.
- 6. Make sure your Student Number is on the EXAMINATION BOOK(s).

THIS QUESTION PAPER CONSISTS OF 3 PAGES (Including this front page)

(c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (3) Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) (15) Question 4 (a) Define Regional polarisation. (2) (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	Qu	estion 1			
(c) Provide a clear distinction between the core values of development. (d) What are the three general functions of social indicators? [19] Question 2 (a) Classic Theories of Economic Development involves four Approaches to explain development/ underdevelopment. Briefly differentiate between these approaches. (9) (b) Briefly explain three important implications of modernisation for rural centre planning and development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (g) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (8) Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) [15] Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(a)		(7)		
(d) What are the three general functions of social indicators? [19] Question 2 (a) Classic Theories of Economic Development involves four Approaches to explain development/ underdevelopment. Briefly differentiate between these approaches. (9) (b) Briefly explain three important implications of modernisation for rural centre planning and development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (9) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. [30] Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) [15] Question 4 (a) Define Regional polarisation. (2) (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(b)	p) Define a development theory.			
Question 2 (a) Classic Theories of Economic Development involves four Approaches to explain development/ underdevelopment. Briefly differentiate between these approaches. (9) (b) Briefly explain three important implications of modernisation for rural centre planning and development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (9) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (8) Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) (15) Question 4 (a) Define Regional polarisation. (2) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(c)	Provide a clear distinction between the core values of development.	(6)		
Question 2 (a) Classic Theories of Economic Development involves four Approaches to explain development/ underdevelopment. Briefly differentiate between these approaches. (9) (b) Briefly explain three important implications of modernisation for rural centre planning and development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (9) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (8) Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) (15) Question 4 (a) Define Regional polarisation. (2) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(d)	What are the three general functions of social indicators?	(3)		
(a) Classic Theories of Economic Development involves four Approaches to explain development/ underdevelopment. Briefly differentiate between these approaches. (9) (b) Briefly explain three important implications of modernisation for rural centre planning and development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (9) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. [30] Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) [15] Question 4 (a) Define Regional polarisation. (2) (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)			[19]		
underdevelopment. Briefly differentiate between these approaches. (9) (b) Briefly explain three important implications of modernisation for rural centre planning and development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (9) (1) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (8) Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) (15) Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	Qu	estion 2			
development. (4) (c) Describe four hypotheses to examine the Third World Development as part of dependency theory. (9) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (8) [30] Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) (15) [15] Question 4 (a) Define Regional polarisation. (2) (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(a)				
theory. (9) (d) What should periphery countries do to overcome the World System Theory (WST)? Provide at least four discussion points. (8) Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) (15) Question 4 (a) Define Regional polarisation. (2) (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(b)		(4)		
Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(c)		(9)		
Question 3 Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) [15] Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	(d)		(8)		
Provide a clear distinction between three trilemmas (options) governments are likely to face concerning the Developmental State. (5marks x3) [15] Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)			[30]		
(15) Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	Que	estion 3			
Question 4 (a) Define Regional polarisation. (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)					
(a) Define Regional polarisation. (2) (b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)			[15]		
(b) Based on assignment presentations in class and discussion, provide at least five negative impacts of introducing growth pole theory to the region of your choice. (4)	Que	estion 4			
impacts of introducing growth pole theory to the region of your choice. (4)	(a)	Define Regional polarisation.	(2)		
[6]	(b)		(4)

Planning Theory 1

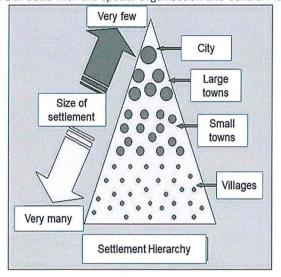

PTY510S

Planning Theory 1 PTY510S

Question 5

Study the following diagram (Figure 1) and answer the following questions:

Figure 1: deals with the Spatial Organisation and Central Places

- (a) Provide a detailed explanation of a central place. (3)
- (b) Explain why there are very few large settlements? (5)

[8]

Question 6

- (a) Outline at least four limitations of Christaller's model. (5)
- (b) Distinguish between three methods mostly used by planners and demographers to analyse settlement systems. (9)
- (c) Briefly explain four types of information required when compiling the manual Scalogram. (4)

[18]

Question 7

Regarding the crisis in planning, what were the major problems associated with the traditional approach to development planning.

[4]

(4)

TOTAL MARKS: 100

THE END
