1. Any material that is related to the subject.

THIS QUESTION PAPER CONSISTS OF 3 PAGES (Including this front page)

QUESTION 1

Inclusiveness is one of the foundations of the **Harambee Prosperity Plan**. Articulate how the President of Namibia **should deal** with the following challenges:

- a) Former South West African and Koevoet soldiers are not recognised as Veterans and do not receive benefits in terms of once off pay-outs, Veteran Allowances and project financing.
- b) Populist tendencies for the nationalisation of mines.
- c) Predatory elites enrich themselves at the expense of the majority.
- d) Industry and academic contributions are not valued by Government.
- e) Almost one million Namibians are living in shacks. Local authorities are controlling the availability of urban land and created a scarcity of serviced land. A shortage of at least 300 000 houses exist.

(25)

QUESTION 2

Accountability is the pivot around which good governance rotates. **Contextualise and use examples** to clarify the following manifestations:

- a) Liability
- b) Hierarchical accountability;
- c) Financial accountability;
- d) Performance accountability; and
- e) Legal accountability.

QUESTION 3

Defence and National Intelligence received N\$ 5.5 billion and N\$ 0.5 billion respectively for the 2019/20 budget year. Namibia is not facing a war or civil war threats. NUST received N\$500 million and UNAM N\$1 billion. Our unemployment rate is approximately 42 percent. Outline **what you will do to create an improved situation in line with Scandinavian best practices** in terms of public spending on education, entrepreneurship and value for money.

(25)

QUESTION 4

The **public service has increased one hundred percent** in terms of **personnel expenditure since the previous five years**. Our economy is in the worst situation since Independence 29 years ago when we started off with no debt. As the Prime Minister and head of the public service, you are instructed by the President to ‘rightsize’ the public service. Outline your strategies and motivate how you will do it an inspiring way to encourage people to leave the public service voluntary, however, a mandatory approach is also required.
