Answer any 3 (three) questions from the remaining 5 (five) questions.4. Read all the questions carefully before answering.5. Number the answers clearly and correctly.	

THIS QUESTION PAPER CONSISTS OF 2 PAGES (Including this front page)

Question 1

With reference to your society, differentiate between the concepts in 1.1 and 1.2 below:

- | | | | |
|-----|-----------------------------------|------|------|
| 1.1 | Material and non-material culture | (10) | |
| 1.2 | Prejudice and discrimination | (10) | |
| 1.3 | Define patriarchy. | (5) | [25] |

Question 2

According to the preliminary results of the Namibian 2023 Census, the Namibian population increased to 3 million from 2.1 million people in 2011. Given this, describe the reasons for the change in the Namibian population. Illustrate your answer with relevant examples. [25]

Question 3

To understand how the minority and the dominant groups interact, sociologists developed some models. With the use of relevant examples, identify and discuss these models. [25]

Question 4

Differentiate between gender socialisation and gender stratification. With motivations and examples from your society, discuss whether there is a link between these two concepts. [25]

Question 5

Culture is formed up by different components. With reference to your culture, describe the components of culture you have learned. [25]

Question 6

Sociological perspectives are used to shed light on the role different social institutions play in the society. These perspectives are as follows: structural-functional approach, social-conflict approach, and symbolic interactional approach. Based on the above, apply the structural-functional approach to explain the role the family plays in your society. Motivate your answer with relevant examples. [25]
