**THIS QUESTION PAPER CONSISTS OF 2 PAGES (Including this front page)**

### **Question 1**

a) Define work breakdown structure (WBS) in the context of portfolio and programme management. Use a case study of your choice to motivate your answer. (10)

b) What is the function of a work breakdown structure (WBS) in project management? Give practical examples from the case study to illustrate your answers. (20)

### **Question 2**

The purpose of the Project Charter is to commission a project, and appoint, and give authority to the Project manager.

Develop the Project Charter of any development project of your choice. Include all the elements that would be required in the Project Charter.

(35)

### **Question 3**

In any project, there are challenges encountered in the planning and implementation of the project. Identify any development project of your choice in Southern Africa and discuss the challenges and suggest methods to overcome these challenges.

(35)

**Total: 100**
